## Dedication

The 2006 Media Guide is dedicated to a pair of individuals that have been instrumental to the success of the Kansas City Royals organization. The 38th annual media guide is dedicated to Chris Stathos who retired after 26 years of tireless contributions in the Royals Media Relations Office. Stathos joined the club as a secretary in the Public Relations department in 1979 and worked her way to Manager-Broadcast & Media Services.

The Kansas City Royals would also like to honor Joe McGuff who passed away Feb. 4, 2006 after a courageous battle against ALS, also known as Lou Gehrig's Disease. As The Star's sports editor in the 1960s, McGuff and his Sporting Comment columns helped stir support for construction of the Truman Sports Complex. He later worked to seal American League approval for Kansas City landing the expansion Royals and served on the Royals Board of Directors from 1994 to 2000.

## Kansas City Royals Media Guide

# IN THE COMMUNITY

## STRIVING TO MAKE KANSAS CITY A BETTER PLACE

The Kansas City Royals strive to be a winning organization, both on and off the field. Committed to making a difference, the Royals dedicate countless hours to civic and charitable endeavors to enhance the quality of life for area citizens. By supporting impactful programs that invest in youth, education, and neighborhoods, the Royals collaborate with our community partners to shape the future of Kansas City.

Royals Charities, the charitable arm of the ballclub, supports area charities through financial donations, as well as in-kind support including memorabilia, tickets and publicity. Under the leadership of the Glass Family, Royals Charities has donated more than \$2 million to the community since 2001.

Royals players, coaches, front office personnel, alumni and Sluggerrr make hundreds of public appearances each year. By hosting and participating in youth baseball clinics, school assemblies, hospital visits, autograph sessions, speaking engagements and numerous charity fund-raisers, players and staff positively affect the lives of many fans.

Royals community outreach events and Royals Charities activities focus on three specific areas: youth, education and neighborhoods. A few signature events and partnerships are outlined on the following pages.

For more information on Royals Charities or community programs, call (816) 921-8000.

## GREATER KANSAS CITY DAY

Opening Day 2006 marks the 19th Annual Greater Kansas City Day, a city-wide effort spearheaded by the Royals, the Kansas City Star and area Rotary Clubs to make a difference for Kansas City's youth. Hall of Famer George Brett will serve as a co-chair of the event for the third-straight year, leading more than 1,500 volunteers, celebrities and community leaders in selling special editions of the Kansas City Star on street corners and main thoroughfares throughout the metropolitan area.

Proceeds from the sales of the papers will benefit Rotary Youth Camp and approximately a dozen children's charities in Kansas City.

# IN THE COMMUNITY

## REVIVING BASEBALL IN THE INNER CITY

In cooperation with the Boys and Girls Clubs of Greater Kansas City, the Royals provide a positive baseball environment during the summer months for more than 1,300 youth in the RBI Program. RBI provides boys and girls ages 5-18 the opportunity to play organized baseball and softball, while placing emphasis on life skills including teamwork and leadership.

The Kansas City RBI program is one of the largest in the country, and is continuing to grow with a goal of serving 2,500 youth by 2010.

## OPERATION BLESSING

On April 22, the Royals will team up with the Kansas City Chiefs for Operation Blessing, a grassroots food distribution program in Kansas City.

Thousands of children and adults will come to the distribution event for free groceries and to meet their favorite professional athletes.

## ROYALS WIVES FIGHT HUNGER

The Royals Wives will continue their work to alleviate childhood hunger by hosting the 24th Annual Royals Wives Food Drive on May 19 prior to the game versus the St. Louis Cardinals.

A benefit for Harvesters-The Community Food Network, the Royals Wives Food Drive has provided more than 500,000 meals for area citizens.

The food drive is just one the charitable projects spearheaded by the Royals Wives.

## ROYALS & THE DREAM FACTORY

Youth with life-altering illnesses are granted their wish of the ultimate Royals experience. They meet Royals players and coaches, witness batting practice from the dugout, and enjoy the game with refreshments from the best seats in the house. Each Royals experience appears on the KMBC-TV 10 p.m. newscast during the "Dream Factory" segment.

## ROYALS CHARITIES MAIN EVENT

## GEORGE BRETT - #5

THIRD BASEMAN, 1973-1993

George Brett wrapped up a 21-year Hall of Fame career with the Royals in 1993 after establishing himself as one of the greatest baseball players to ever play the game.

He became the only Royal and just the 11th 3rd baseman to be inducted into the Hall of Fame on July 25, 1999 after receiving 98 percent of the votes, the 4th-highest mark in history. He had his number retired by the Royals May 14, 1994.

At the conclusion of Brett's career, he was the only player in Major League history to amass more than 3,000 hits, 300 home runs, 600 doubles, 100 triples and 200 stolen bases. He was the first player to win batting titles in 3 decades (1976, 1980, 1990) and retired as the A.L. career record holder for most intentional walks (229).

A 13-time All-Star, Brett is the club's all-time leader in every offensive category except stolen bases. He was the American League MVP in 1980, finished as the MVP runner up in 1976 and 1985, was a Gold Glove Award winner in 1985 and was crowned the Royals Player of the Year eight times.

Brett hit .390 in his MVP season, posting the highest batting average since Ted Williams' .406 mark in 1941.

Born May 15, 1953 in Wheeling, W.V., he captivated the baseball world with his performance in the 1985 ALCS and World Series, earning ALCS MVP honors after the Royals rallied from a 3 games to 1 deficit against the Toronto Blue Jays.

Brett posted a .373 career World Series average, going 19-for-51 in 13 games, with 3 doubles, 1 triple, 1 home run and 4 RBI. He holds numerous ALCS records after recording a career batting average of .340 in the league championships.

He culminated his career with his 3,000th hit on Sept. 30, 1992 (pictured left). Overall, he guided the Royals to seven post-seasons and two World Series. During his 21-year career with the Royals, Kansas City posted 15 winning seasons, including 8 seasons with at least 90 wins.

# RETIRED NUMBER

## FRANK WHITE - #20

SECOND BASEMAN, 1973-1990

### Career Honors

- Inducted into Royals Hall of Fame and had number retired in 1995
- Named to 5 All-Star games
- Won 8 Rawlings Gold Gloves, including 6 straight from 1977-82
- Voted ALCS MVP in 1980
- Named to TSN Silver Slugger Team in 1986
- Played in 7 postseasons and 2 World Series
- Twice named Royals Player of the Year

Frank White was the defensive star for the Royals from 1973 to 1990, winning 8 Gold Gloves, an American League record for 2nd basemen at the time. Hall of Famer Bill Mazeroski (8), Ryne Sandberg (9) and Roberto Alomar (10) are the only 2nd basemen in Major League history to accomplish the same feat. His number 20 was retired and he was inducted into the Royals Hall of Fame in 1995.

White claimed the Gold Glove award 6 straight seasons from 1977 to 1982 and missed an unprecedented 9th award in 1988 after committing just 4 errors that season and leading the league in fielding percentage.

He was selected to the All-Star team 5 times and earned the starting nod at 2nd base in 1979. White, who ranks 7th all-time in career fielding percentage among 2nd basemen, was named the Royals Player of the Year in 1983 and 1986.

A native of Kansas City, White was tabbed as the ALCS MVP in 1980 after hitting .545 (6-for-11) and driving in 3 runs to lead Kansas City to its first-ever World Series by defeating the New York Yankees.

In the Royals 1985 World Series, White led all players with 6 RBI, hitting 3 doubles and a home run as KC rallied from a 3 games to 1 deficit to beat St. Louis.

Following his career-best 1986 season, White was selected to the Major League All-Star team that toured Japan in the offseason. He was also named to The Sporting News Silver Slugger Team.

The Royals 1st-ever graduate of the experimental Royals Academy, White ranks 2nd on the club's career charts in games (2,324), at bats (7,859) and hits (2,006). He also stands in the top 5 in career runs, doubles, home runs, stolen bases, total bases, and extra base hits. He also hit 3 inside-the park home runs during his playing career with the Royals.

White was honored with the Ernie Mehl Award for his contribution to the Kansas City community in 1988.

## DICK HOWSER - #10

MANAGER, 1981-1987

**Dick Howser** managed the Royals from Aug. 31, 1981 to Feb. 23, 1987 before losing a courageous battle to cancer on June 17, 1987. During Howser's regime, the Royals won 3 division titles and a World Championship in 1985. His uniform number 10 was the 1st number retired by the Royals.

One of Major League Baseball's most successful and popular managers, he compiled a 404-365 record (.525) while guiding the Royals.

He guided the club in 1 of the most remarkable and endearing comebacks in Major League postseason history, defeating Toronto in the ALCS and St. Louis to win the 1985 World Series. His skills and ability to maneuver the lineup and roster played an important role in the club's success, as he capitalized on a strong starting pitching staff and maximized an offense that ranked 13th in average and runs scored.

Howser's World Series season was quite an encore for a manager who was named the ESPN Manager of the Year and finished second in the Baseball Writer's Manager of the Year balloting in 1984. His 1984 edition was hampered by injuries throughout the year as his starting lineup was together for only 50 of the 162 games. Despite the injuries, he guided the Royals from a 6th-place standing and a 40-51 record on July 18, to capture the A.L. West crown by compiling an astonishing 44-25 record over the last 10 weeks.

Overall, he compiled a 507-425 (.544) record at the big league level after guiding the New York Yankees to 103 wins in 1980, becoming just the 4th manager in baseball to win 100 games in his 1st year.

Howser began his professional career after twice earning All-America honors at Florida State. The 1961 Sporting News Rookie of the Year with the Kansas City A's, he was a member of the 1961 All-Star team and enjoyed an 8-year Major League playing career.

- 3rd-winningest pitcher in Royals history with 132 wins

- Named Royals Pitcher of the Year 2 times (1986, 1988)
- Finished 3rd in AL CY Young voting in 1988 after posting a 20-8 record and a 2.70 ERA

Right-handed Pitcher Mark Gubicza, the third-winningest pitcher in Royals history, will represent the Kansas City Royals Hall of Fame class of 2006, becoming the 22nd member of the elite group. On-field induction ceremonies are scheduled for Friday, July 21 at Kauffman Stadium prior to the club's 7:10 p.m. contest vs. the Angels.

Gubicza, the two-time all-star and 13-year member of the Royals, was selected on his sixth appearance on the ballot. The two-time Royals Pitcher of the Year (1986, 1988) was one of the Royals most reliable starters during the course of his career, posting 132 wins and 3.91 career ERA with Kansas City from 1984-1996.

Selected in the second round of the 1981 June Free Agent Draft, Gubicza became the third-youngest pitcher to start for the Royals when he made his Major League debut on April 6, 1984 vs. Cleveland at the age of 21 years, 7 months and 23 days.

Gubicza helped lead the Royals to back-to-back Western Division titles in 1984 and 1985 and went 14-10 during the Royals World Series Championship season in 1985. He posted a pivotal 5-3 win in Game 6 of the '85 ALCS against the Toronto Blue Jays, holding Toronto to 4 hits and 3 runs in 5.1 innings.

A native of Philadelphia, Pa., Gubicza still ranks among the Royals top 10 in several career categories, including second in strikeouts (1,366), innings pitched (2,218.2) and games started (327) and third in wins (132), and shutouts (16). He also ranks fourth in appearances (382) and seventh with 42 complete games.

He finished his career as the club's all-time leader in strikeouts, before the mark was later eclipsed by Kevin Appier.

Gubicza's best year came during his 1988 All-Star season, when he finished third in the A.L. in the Cy Young voting after posting a 20-8 record and a 2.70 ERA (269.2 IP, 81 ER). His 20 wins are still tied for the fourth-most wins in club single-season history, while his 2.70 ERA ranks as the seventh-best single season mark. He was also named an All-Star in 1989 and finished the season with a 15-11 record.

He routinely ranked among the league's pitching leaders and twice paced the circuit in starts with 36 in 1989 and 33 in 1995.

Gubicza turned in some of the best single-game performances in club history, striking out a club record 14 batters vs. Minnesota on Aug. 27, 1988. He also tossed a one-hitter at Oakland on June 15, 1995 in a 7-0 win and a pair of two-hitters.

Following 13 seasons with the Royals, Gubicza pitched in 2 games for the Anaheim Angels in 1997.

## A ROYAL WELCOME

Following the World Championship season of 1985, the Royals traveled to Washington, D.C. to meet with President Ronald Reagan at the White House.

President Reagan congratulated the team for winning the World Series in dramatic come-from-behind fashion and said, "You proved to America what a never-say-die spirit can do." During the ceremony that was held in

the White House Rose Garden, Reagan shook hands with members of the team.

Royals manager Dick Howser presented the president with a Royals cap and warmup jacket as well as a baseball bat. After receiving the Royals gear, a smiling Reagan said, "I can't wait to get up to Capitol Hill."

## REMEMBERING THE ROYALS ACADEMY

Former Royals owner Ewing Kauffman challenged the preconceived notions of the baseball world in 1970 with the creation of the Royals Baseball Academy.

"In a few years this will be called Kauffman's folly or they will be calling me the Branch Rickey of the '70s," Kauffman said.

The Academy, which ran 12 months a year, was designed to supply additional talent to the Royals organization by training athletes in Sarasota, Fla. The mission of the academy was to groom raw athletes into baseball players.

The Academy opened its doors on Aug. 10, 1970 with 42 original players. The campus, which also doubled as the Royals spring home, featured five playing fields, a 50-room dormitory, offices, lecture halls, laboratories, tennis courts and a swimming pool. Former Royals Scouting Director Syd Thrift (and future Yankees General Manager) was named as the

director of the Academy.

Royals Hall of Famer Frank White joined the Academy in 1970 and was the first member to graduate to the Majors in 1973. White credits the Academy with instilling fundamentals which turned him into one of the best defensive second basemen in baseball history.

Despite the success of Frank White and 13 other graduates who played in the Majors including U.L. Washington, dwindling class sizes and the cost of the Academy eventually led to its closing in May, 1974.

## 1973 ALL-STAR GAME

## GAME SUMMARY:

Kansas City was the site of the 40th Major League Baseball All-Star Game in 1973 where the National League handed the American League a 7-1 loss.

The game marked the final All-Star appearance of Willie Mays and was attended by members of the 1st All-Star Game in 1933, including Carl Hubbell, Bill Hallahan, Lefty Gomez, Dick Bartel, Lefty Grove, Jimmie Dykes and Charlie Gehringer.

The A.L. jumped out to a 1-0 lead after a double from **Reggie Jackson** and an RBI single from KC's **Amos Otis**. However, the N.L. All-Stars countered with 2 runs in the top of the 3rd and also scored in the 4th, 5th and 6th innings. **Rick Wise** earned the win for the N.L. after allowing 2 hits and 1 ER in 2.0 innings of work.

**Bobby Bonds** was named the game's MVP, coming off the bench to go 2-for-2 with a 2-run homer in the 5th inning, giving the N.L. a 5-1 lead.

**Johnny Bench** hit one of the most mammoth home runs in the history of the Mid-Summer Classic, launching a 480-foot solo shot off Bill Singer in the 4th inning over the left field concourse. His homer still stands as the longest in Kauffman Stadium history.

The game featured 15 future Hall of Famers, including **Hank Aaron**, **Willie Mays**, **Rod Carew**, and **Brooks Robinson** to name a few. The game also featured 3 Royals - **Amos Otis**, **John Mayberry** and **Cookie Rojas**, and 1 future Royals manager, **Buddy Bell**, who did not appear in the game. Otis led the A.L. players, going 2-for-2 with the team's only RBI.

**Dick Williams** managed the American League and was joined by coaches **Whitey Herzog** and **Chuck Tanner**. The National League was managed by **Sparky Anderson**, who was joined by coaches **Gene Mauch** and **Bill Virdon**.

Kauffman Stadium (then Royals Stadium) was the host of the 1973 All-Star Game which featured 15 future Hall of Famers.

**2005 Notes:** The A.L. West Champion Angels took their 5th-straight season series from the Royals, winning 7 of the 9 games in 2005...following an opening week series which saw the Royals take 2 of 3 from the Angels, Los Angeles won the final 6 of the season series by completing a 3-game sweep in Anaheim followed by a 3-game sweep in Kansas City...the Halos have won the season series 8 of the last 9 seasons and have not lost a season series to the Royals since 1996...the Royals have failed to beat the Angels at home since 2002, going 0-9 in the past 3 seasons...the 9-game home losing streak is KC's longest against the Angels in franchise history...despite the series win for the Angels, KC still has more victories (243) over Los Angeles than against any other club outside the A.L. Central Division...KC was shut out by Los Angeles in 2 of their last 3 games including a rain-shortened game in the season series finale on July 3 in Kansas City.

**Interview** periods are arranged prior to and following Royals games through the Royals Media Relations Department.

**Pregame:** The manager, coaches and players are generally accessible before and after batting practice on the field and in the clubhouse. Players are not available during stretching, and pregame interviews should not interfere with the players specific game preparations. **Manager Buddy Bell** is available to the media before games in the Royals dugout, usually around 4 p.m. prior to 7:10 p.m. games. He may also be available before the clubhouse opens upon special request through the Media Relations Department. We request that reporters and broadcasters leave the field and dugout area when infield practice begins and that photographers report to their assigned photo positions.

**Manager Postgame:** The Royals will conduct a postgame interview with the manager in the interview room on Level 1 immediately following each Royals home game. The postgame interview room is specifically designed for, but not limited to, the electronic media. This is the only area where the electronic media may interview the manager postgame. **THERE WILL BE NO POSTGAME INTERVIEWS ALLOWED IN THE MANAGER'S OFFICE.** Postgame interviews with all personnel should generally be related to the game.

**Photographers** will be assigned to photo bays on the field at either end of each dugout or the bay located in the main press box. The creation of the Royals Sports Television Network, LLC in 2003 marked a new era in Royals television broadcasts. The goal of RSTN is to enhance the Royals regional presence by providing Royals programming to the team's territory. As in the first three seasons, RSTN will distribute 100 regular season telecasts to participating cable and satellite partners throughout the Royals television territory in the 2006 season. RSTN will also televise two Spring Training telecasts in 2006. In addition to Royals games, RSTN produces a weekly show, the "Royals Insider," that features a behind-the-scenes look at the team and Royals organization. RSTN also provides weekly highlights and video clips on its web site [www.rstn.tv](http://www.rstn.tv).

RSTN will reach nearly two million subscribers in Kansas, Missouri and Nebraska alone. In addition, KMCI-TV (Channel 38), sister station of KSHB-TV (Channel 41), will serve as RSTN's local over-the-air affiliate and will carry 14 games during the season including Opening Day and 13 road Sunday games.

RSTN has agreements with Time Warner Cable, Everest Connections, Sunflower Broadband, Unite, H & B Cable, Mid-State TV, Wilson Cable and Columbus Telephone Company to carry Royals broadcasts on their cable systems. In addition, RSTN has a redistribution agreement with Fox Sports Net, which includes cable homes as well as DirecTV and Dish Network subscribers.

Paul Splittorff and Bob Davis will team up to call over 100 Royals games this season on the Royals Sports Television Network.

# ROYALS BROADCAST TEAM

## DENNY MATTHEWS, ANNOUNCER

Denny Matthews became the newest member of the Royals Hall of Fame in August of 2004 and will celebrate his 38th season behind the microphone for the club in 2006. The "Voice of the Royals" has broadcast exclusively for the same team, without interruption, in five different decades. A 2005 Missouri Sports Hall of Fame selection, Matthews earned the distinguished honor of being selected as one of 10 finalists for the prestigious Ford Frick Award by the Baseball Hall of Fame in December of 2005.

Matthews is just one of six announcers in the history of Major League Baseball to spend an entire career with just one team and log at least 35 consecutive seasons behind the microphone. He joins Vin Scully (55), Bob Prince (Pittsburgh, 48), Jack Buck (St. Louis, 47), Jaime Jarrin (Los Angeles, 43) and Joe Nuxhall (Cincinnati, 38) as the only broadcasters to accomplish the feat. Matthews and Nuxhall are the only two of the group that are not in the National Baseball Hall of Fame.

Matthews has seen more Royals games than anyone else during his 37 years with Kansas City. He was chosen from more than 300 applicants for the number two announcer position alongside Bud Blattner prior to the Royals initial season in 1969, before taking over the number one job following the 1975 season. He teamed with Fred White on the Royals Radio Network from 1974-1998 before Ryan Lefebvre joined him in the booth in 1999.

The veteran broadcaster has also lent his play-by-play skills to the CBS Radio Network during portions of the regular season and during the 1982 and 1985 World Series. He also worked with Hall of Famer Ernie Harwell, calling the CBS broadcast of the 1982 ALCS between the Angels and Brewers.

Matthews is active in the Kansas City community and dedicates his time and resources to several area charities, including the SAFE program, a charity that provides families of fallen policemen, firemen and emergency workers, as well as Operation Lifesaver, a railroad crossing safety and awareness program. He is also the author the 2004 book, "Tales from the Royals Dugout" and co-author of the 1999 book "Play by Play - 25 Years of Royals on Radio."

Matthews graduated from Central Catholic High School in Bloomington, Ill., and was inducted into the school's Hall of Fame in August, 2001. He is a 1966 graduate of Illinois Wesleyan where he lettered in football and baseball for 3 years and finished 8th in the nation (NAIA) in pass receiving in 1965.

Prior to joining the Royals, Matthews worked for WMBD-TV and radio and KMOX-TV. His brother, Mike, is the radio analyst for Illinois State University basketball.

Matthews, an avid collector of sports publications, enjoys playing golf and hockey. He resides in Leawood, Kan.

## RYAN LEFEBVRE, ANNOUNCER

Ryan Lefebvre begins his 8th season as a Royals radio broadcaster and his 12th season in the Major League booth. Before joining the Royals for the 1999 season, he spent 4 seasons as a broadcaster for the Minnesota Twins. He was hired by Minnesota at the age of 24, one year after graduating from college. He worked both television and radio for the Twins and broadcast University of Minnesota football, hockey and volleyball.

The Los Angeles native graduated from Loyola High School in 1989 and began his broadcasting career as a freshman at the University of Minnesota at KUOM radio. He graduated from the University of Minnesota in 1994 where he was a 3-time All-Big Ten selection in baseball and established school records for hits, triples and at-bats. He was drafted in the 27th round of the 1993 June Free Agent Draft by the Cleveland Indians and played one season in the New York-Penn League.

Lefebvre is the son of former big league player and manager Jim Lefebvre. Actively involved in a number of Kansas City community activities, he is the founder of Gloves For Kids and the Footprints Foundation, which raises money for youth programs in Kansas and Missouri. He resides in Lake Winnebago, Mo.

## DON FREE, MANAGER-RADIO NETWORK OPERATIONS

Don Free will begin his 21st year as the producer/engineer of the Royals radio broadcasts, his third season as Manager-Radio Network Operations. Free worked for Stauffer-Morris for 31 years, spending the first 18 years at WIBW-TV in Topeka, before working for the radio network. He then worked for Entercom for 6 years, including work in the offseason as an engineer at KMBZ. Free also does freelance engineer work on area college football and basketball games.

Free resides in Topeka, Kan., with his wife, Sandy. He has 2 daughters, Kristin and Jennifer, a grandson, Zane and 2 granddaughters, Taylor and Jordan.

## BOB DAVIS ANNOUNCER

Bob Davis, a 10-time winner of the Kansas Sportscaster of the Year award, enters his 10th season as the play-by-play voice of the Royals television network. In addition to his work with the Royals, Davis has been the voice of the Kansas Jayhawks for the past 22 years.

Prior to his stint with the Jayhawks, Davis spent 16 years announcing Fort Hays State University games, earning a spot in the school's Athletic Hall of Fame. He has also been the radio voice for the NCAA Women's Final Four Basketball Championships.

A native of Topeka, Davis graduated from Topeka West High School and Washburn University. He resides in Lawrence, Kan., with his wife, Linda. The couple has a son, Steven, who was the voice of Royals affiliate Idaho Falls in 2005.

## PAUL SPLITTORFF ANNOUNCER

Paul Splittorff returns to the television booth for his 19th season as the analyst on the Royals television network. The Royals Hall of Famer and all-time winningest pitcher in club history has worked in broadcasting since retiring in 1984.

He joined the Royals organization in 1968 and compiled a 166-143 record with a 3.81 ERA in 429 games during his 15-year playing career. In addition to recording the most wins in Royals history, the left-hander also owns the club record for starts (392) and innings pitched (2,554.2). He became Kansas City's first 20-game winner in 1973 and was inducted into the Royals Hall of Fame in 1987.

When Splittorff is not broadcasting Royals baseball, he keeps busy in the winter months broadcasting college basketball. He serves as an analyst for Iowa St. University and the Big 12 Conference and works locally on the telecasts of Kansas State University and UMKC. His baseball and basketball broadcasting work are the result of his 2-sport (baseball and basketball) college days at Morningside College in Iowa.

Splittorff and his wife, Lynn, have a daughter, Jennifer and son, Jamie.

## FRED WHITE DIRECTOR-BROADCAST SERVICES & ROYALS ALUMNI

Fred White continues to work with the Royals broadcast team as both Director-Broadcast Services & Royals Alumni in 2006, as well as a broadcaster for the Royals radio and television coverage.

White handles the Royals broadcast services and oversees the club's alumni group, which was started 4 years ago. He rejoined the organization in 2001 after serving as an announcer on the Royals Radio Network for 25 years from 1974-1998.

White has won numerous awards in the broadcast industry and has worked college basketball and football games for CBS, NBC, TBS, Raycom and ESPN. His voice is heard year-round as he continues to draw assignments in the Big 12 and Big 10. In addition, he serves as a host and reporter for Metro Sports, Kansas City's 24-hour sports channel.

A graduate of Eastern Illinois University, White has been named the Kansas Sportscaster of the Year several times. He and his wife, Barb, reside in Leawood, Kan. He has 3 children, Stacy, John and Joe Brett.

# KAUFFMAN STADIUM

Adding age to its beauty, the Kansas City Royals will celebrate their 34th season at Kauffman Stadium in 2006.

Opened as Royals Stadium on April 10, 1973, it is recognized throughout baseball as one of the game's most beautiful ballparks. Since then, many exciting games have been contested, including the 1973 All-Star Game, 3 no-hitters, playoff games in 1976, '77, '78, '80, '81, '84 and '85 and 7 World Series tilts in 1980 and 1985. The facility was officially re-named in honor of Ewing M. Kauffman in a ceremony at the stadium on July 2, 1993. Since its opening, a total of 59,192,638 people have visited the stadium, including a record 2,477,700 in 1989.

Before the 2004 season, the outfield fences in the gaps and in straight-away center field were moved back 10 feet to their original dimensions of 385 and 410, respectively, making Kauffman Stadium one of the most spacious parks in Major League Baseball. In addition, the warning track was changed to a natural surface, and the height of the fence is now at 8 feet. The fences were moved in 10 feet from bullpen to bullpen prior to the 1995 season and lowered from 12 feet to 9 feet. Also at that time, a grass playing field replaced the artificial surface at Kauffman Stadium.

Kauffman Stadium's unique features include a 12-story high scoreboard and a 322-foot wide water

spectacular. The scoreboard contains 16,320 light bulbs, most of them on the 40 by 60 foot screen. The water spectacular is the largest privately funded fountain in the world.

Added in 1990 was a state-of-the-art Sony JumboTron color video display board installed on the leftfield hillside. Measuring 30 by 40 feet, it's one of the largest video boards in the U.S. The top of the board features the Royals logo. In keeping with the architecture of the stadium, the existing water spectacular featuring cascading water now extends to the left field corner.

Prior to the 1999 campaign, additional field level seating, known as "Crown Seats" and 4 dugout suites were added. The Picnic Pavilion was added near the base of the JumboTron in left field for groups attending the games the following year.

The re-naming of the stadium was appropriate in that it was the strength and integrity of Ewing M. Kauffman's ownership that provided the cornerstone for the Royals success. Kauffman purchased the club as an expansion franchise in 1968 with the primary and continuous motivation of providing winning Major League Baseball for Kansas Citizens. Kauffman, who founded Marion Laboratories in his mother's basement and built it into a diversified health care company with sales reaching nearly one billion dollars, possessed a sense of daring and an innate ability to motivate those around him. Mr. K also gave much personal attention to the Kansas City community, an important philosophy that was inbred into the Royals organization and still remains today.

Among the awards Mr. Kauffman won for his leadership include the Kansas City Press Club's 1973 Man of the Year, the "Mr. Baseball" honoree at the Kansas City Baseball Awards Dinner in 1976 and 1991 and induction into the Missouri Sports Hall of Fame. He also received the Horatio Alger Award, the Golden Plate Award from the American Academy of Achievement, the Kansas City Chamber of Commerce "Kansas Citian of the Year" Award and the Distinguished Service Award from the American Legion. Mr. K passed away on Aug. 1, 1993.

# BASEBALL TERMINOLOGY

**Definition of a Night Game:** Any game scheduled to start after 6 p.m. will be considered a night game. If a game is scheduled to start at 6 p.m. and is delayed by rain, or for any other reason, it will be considered a day game. If a game is scheduled to start at 6:01 p.m. it will be considered a night game. Two-night doubleheaders shall be included in doubleheader statistics and shall be considered two night games. When afternoon and night games are played on the same date with separate admissions, the games shall be day and night and count as single games.

**Disabled List:** There are two disabled lists (15-Day and 60-Day). Players can be disabled retroactively, up to a maximum of 10 days, beginning with the day after the last day on which they played. A player on the 15-Day DL may be shifted to the 60-Day DL at any time. Players may be assigned to a minor league club for the purpose of injury rehabilitation for a maximum of 20 days (30 days for pitchers).

**Figuring Magic Number:** To determine a team's "Magic Number" in the pennant race, compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

**Major League Trading Regulations:** The trading deadline is 4 p.m. (EDT) July 31. Waivers are required for all trades from Aug. 1 until 5 p.m. (EDT) the day after the regular season concludes. No waivers are required the remaining 10 months of the year.

**Options:** When a player is on the 40-man roster but not on the 25-man Major League roster, he is on "optional assignment." Each player has three option years and he can be sent up and down as many times as the club chooses within those three seasons. When a player is "out of options" that means he's been in the majors during three different seasons and in his fourth professional season, to be sent down, he will have to clear waivers.

**Outright:** To assign a player to a club's minor league affiliate without the right of recall. Player is removed from the 40-man roster.

**Roster Limitations:** Rosters are limited to 25 players from Opening Day through Aug. 31 and 40 players from Sept. 1 through the conclusion of the season.

**Rookie Qualifications:** A player shall be considered a rookie unless, during a previous season or seasons, he has: a. exceeded 130 at-bats or 50 innings pitched in the Major Leagues; b. accumulated more than 45 days on the active roster of a Major League club or clubs during the period of the 25-player limit (excluding time in military service). Once a player reaches the minimum at-bats or innings pitched, days of service are irrelevant.

**Save Rule:** Saves shall be awarded to relief pitchers under the following criteria: Rule (10.20) tells the official scorer to credit a pitcher with a save when he meets all three of the following conditions: 1. He is the finishing pitcher in a game won by his club; 2. He is not the winning pitcher; and 3. He qualifies under one of the following conditions: a. He enters the game with a lead of no more than three runs and pitches for at least one inning; or b. He enters the game with the potential tying run either on base, or at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batters he faces); or c. He pitches effectively for at least three innings.

**Waivers:** A waiver is a permission granted for certain assignments of player contracts or for the unconditional release of a Major League player. The team then can do one of three things: 1. Send him to the minors (subject to his consent, if he is a "Veteran Player"); 2. Release him, which makes the player a free agent and thus available to sign with any team; 3. Trade him to another team, even if the trading deadline has passed.

**Note:** Any trades after July 31 may only involve players who have cleared waivers. If a player does not clear waivers (claimed by another team or teams), the club requesting waivers may withdraw the waiver request. If the club does not withdraw the waiver request, the player's contract is assigned in the following manner: 1. If only one claim is entered, the player's contract is assigned to that claiming club; 2. If more than one club in the same league makes claims, the club currently lower in the standings gets the player; 3. If clubs in both leagues claim the player, preferences shall always go to the club in the same league as the club requesting waivers.

## FIGURING STATS

**Batting Average (AVG)**—divide the total number of hits by the total at bats.

**On-Base Percentage (OBP)**—divide the sum of hits, walks and hit-by-pitch by the sum of at-bats, walks, hit-by-pitch and sacrifice flies.

**Slugging Percentage (SLG)**—divide the total bases of all hits by the total at bats.

**On-Base+Slugging Percentage (OPS)**—this is often used as an index for rating overall performance. The formula is the sum of on-base percentage and slugging percentage and appears without the decimal point.

**Total Bases**—(singles + [2x doubles] + [3x triples] + [4x home runs]) = total bases

**Earned Run Average (ERA)**—multiply the total earned runs by 9, and divide the result by the total number of innings pitched.

**Won-Loss Percentage**—divide the number of games won by the total games played.

**Fielding Percentage**—divide the sum of putouts and assists by the sum of putouts, assists and errors.

# BASEBALL HISTORY

## 51 YEARS OF MAJOR LEAGUE BASEBALL

2005 marked the 50th anniversary of the 1st American League game played in Kansas City. Left-handed pitcher Alex Kellner and the Athletics handed Ned Garver and the Detroit Tigers a 6-2 loss in the A's KC debut. Outfielder Bill Wilson hit the 1st home run in Kansas City A's history with a shot in the 8th inning. Pre-game festivities included a ceremonial first pitch by Kansas City native and former president Harry Truman.

The A's played all their games at Municipal Stadium, sharing the facility with the Kansas City Chiefs football team. The stadium, located and 22nd and Brooklyn, opened July 3, 1923 and was originally named Muehlebach Field and also housed the Kansas City Monarchs and Kansas City Blues (minor league). A pair of short-lived football franchises, The Kansas City Blues (1924) and Kansas City Cowboys (1925-26) also played at the stadium. The Royals used the stadium from 1969-72.
